

A new car... guaranteed

If your vehicle is a total loss, Aviva guarantees you a brand new car.

AVIVA

Aviva's New Car Guarantee gives you peace of mind... and a new car.

Keep your car brand new.

Following a collision, the cost to repair your car can come as a real surprise. And if it's a serious collision and your car is a total loss, or a "write off", your wallet can take an even heavier hit by having to replace it - especially when you learn how much your car has depreciated.

Now with Aviva's **New Car Guarantee**¹, if your car is a total loss, you're guaranteed a brand new version of the exact model of your car, even if that new model is more expensive than your previous one - and you're guaranteed for up to five years after you purchased your new car.

Here's how it works:

Say you buy a brand new car. Four years later, you're in a collision and your car is a total loss. Aviva will write you a cheque for the current price of your car's newest model, even if it's more than the original price.

Some details may vary by province so be sure to talk to your independent broker for details.

¹New Car Guarantee - Replacement Cost Endorsement NPCF 430 (Owned Vehicles) and NPCF 435 (Specified Lessee(s))
